CONSENT TO CARE: I certify that the above questions were answered accurately. I understand that providing incorrect information can be dangerous to my health. I also **request and consent** to the performance of the appropriate examinations and treatment procedures, including but not limited to physical therapies, physical rehabilitation exercises, and /or manual therapy techniques. Though the forms of treatment stated above are usually beneficial and seldom cause problems, I understand and am informed that there are risks associated with all treatment. Risks may include, but are not limited to, sprains, dislocations, fractures, and disc injuries. The physician will not provide specific healthcare if he/she is aware that such care may be contra-indicated. I also understand that this healthcare facility will do its best to improve my health; however, it does not guarantee any results.

Consent for Use or Disclosure of Health Information

OUR PRIVACY PLEDGE

We are very concerned with protecting your privacy. While the law requires us to give you this disclosure, please understand that we have, and always will, respect the privacy of your health information.

There are several circumstances in which we may have to use or disclose your information.

- We may have to disclose your health information to another healthcare provider or hospital if it is necessary to refer you to them for the diagnosis, assessment, or treatment of your health condition.
- We may have to disclose your health information and billing records to another party if they are potentially responsible for the payment of your services.
- We may need to use your health information within our practice for quality control or other operational purposes.

We have a more complete notice that provides a detailed description of how your health information may be used or disclosed. You have the right to review that notice before you sign this consent form (154.520). We reserve the right to change our privacy practices as described in that notice. If we4 make a change to our privacy practices, we will notify you in writing when you come in for treatment or by mail. Please feel free to call us at any time for a copy of our privacy notices.

Your right to limit uses or disclosures

You have the right to request that we do not disclose your health information to specific individuals, companies, or organizations. If you would like to place any restrictions on the use or disclosure of your health information, please let us know in writing. We are not required to agree to your restrictions. However, if we agree with your restrictions, the restriction is binding on us.

Your right to revoke your authorization

You may revoke your consent to us at any time: however, your revocation must be in writing. We will not be able to honor your revocation request if we have already released your health information before we received your request to revoke your authorization. If you were required to give your authorization as a condition of obtaining insurance, the insurance company may have a right to your health information if they decide to contest any of your claims.

I have read your consent policy and agree to its terms. I also acknowledge that I have received a copy of this notice.
